Plan Name: The Synopsys 401(k) Plan Plan #: 37715

Incoming Rollover Instructions

"Rolling over" money into the Synopsys 401(k) Plan is a three-step process. Please follow these instructions to ensure that this process is completed in a timely and accurate manner. *Please Note:* Failure to follow these instructions may result in a delay in the processing of your request and may jeopardize your ability to roll over your distribution.

Step 1. Request your distribution

Request a direct rollover distribution from your previous eligible retirement plan. See the Rollover Contribution Form for a list of the types of plans or accounts from which rollovers may be made to your employer's plan. There are two distribution check payable options:

Option 1.

The check can be made payable to Fidelity Investments
 Institutional Operations Company, Inc. (or FIIOC), for the benefit
 of (YOUR NAME). The check must be from the distributing
 trustee or custodian. (Personal checks are not acceptable.)
 Note: This type of distribution avoids automatic income tax
 withholding. Also, it avoids the possible 10% early withdrawal
 penalty if you are under the age of 59 ½.

Option 2.

2. If the distribution was originally made payable directly to you, you must send your rollover contribution to Fidelity via a certified check or money order only for the amount you are rolling over. (Personal checks are not acceptable.)
Note: If your distribution is initially received as a check made payable to you, your rollover must be completed within 60 days of receipt of the distribution. Your previous administrator will be required to withhold income taxes. As a result, you will not be able to roll over 100% of your eligible distribution unless you have extra savings available to make up the amount withheld. You must also roll over that amount within 60 days of receipt of your distribution. If you do not make up the amount withheld, that amount will be considered a withdrawal from the previous program and the taxable portion will be subject to ordinary income taxes and possibly a 10% early withdrawal penalty.

Fidelity does not accept wire transfers of funds. You must request a CHECK from your previous plan or IRA.

The check should be mailed directly to you. Once you have received the check, please follow the directions in Step 2.

Step 2. Initiate your rollover request

Please log on to NetBenefits® at www.401k.com to initiate your request or complete the Incoming Rollover Contribution Form.

Please be sure to complete all items, and sign the form if indicated.

Failing to properly complete the process will result in your transaction not being processed and your check being returned to you. This form and any separate documentation required by your Plan Sponsor will be reviewed through an automated process. Fidelity will not consider or act upon any unrequested documentation or any information provided outside the areas of the form where specific information has been requested.

Please Note: This rollover contribution will be invested based on the investment elections you have on file for rollover contributions to the Plan. If you have not made investment elections for rollover contributions, this amount will be invested in the Plan-designated default investment option. If you wish to make investment elections for your rollover contribution, please do so via NetBenefits or by contacting Fidelity Investments prior to submitting this form.

If you are not sure of the plan type that you are rolling out of, please contact your previous plan sponsor or IRA custodian for verification. An incorrect plan type could invalidate your rollover.

Step 3. Mail the information

Mail (1) the Incoming Rollover Contribution Application and (2) the check to:

FIRST CLASS MAIL WITH STAMP: Fidelity Investments Client Service Operations P.O. Box 770003 Cincinnati, OH 45277-0065

Overnight Address:

Fidelity Investments Client Service Operations (KC1F-L) 100 Crosby Parkway Covington, KY 41015 Please include all the information requested. Incomplete forms and the accompanying check will be returned to you and may jeopardize your ability to roll over your distribution.

Once your contribution is accepted into the Synopsys 401(k) Plan, you can log on to Fidelity NetBenefits® at **www.401k.com** to view your rollover contribution and investment election(s). Please allow at least seven business days for processing. If you have any questions about rollover contributions, call **1-800-835-5095**. Please be sure you have beneficiary information for the Plan on file.

To establish or change your beneficiary information for the Synopsys 401(k) Plan, please access **www.401k.com**.

You should make a copy of the check and the Incoming Contribution Application for your records.
