Our medical plan options are designed to provide flexibility and choice. We offer two Health Savings Account (HSA)-eligible plans and a Preferred Provider Organization (PPO) plan through Anthem Blue Cross:

- Synopsys Health Savings (HS) Basic Plan
- Synopsys Health Savings (HS) Premium Plan
- Synopsys PPO Plan

In addition, for employees in California and Oregon, we also offer the Health Maintenance Organization (HMO) Plan through Kaiser Permanente.

We encourage you to carefully consider your health care needs and review the costs and coverage levels of each plan.

For More Information

Choosing a Medical Plan

Visit the Medical page of our U.S. Benefits Center for more resources that can help you determine which medical plan is best for you and your family in 2026.

Which Health Plan is Right for You: Health Savings or PPO?

Choosing the right health plan is an important decision to ensure that your coverage and costs align with the unique needs of you and your family. With the Synopsys medical plans, you can choose between two Health Savings (HS) plans (also known as High Deductible Health Plans or HDHPs) and a Preferred Provider Organization (PPO) plan administered by Anthem Blue Cross.

The Synopsys HS and PPO plans give you the freedom to visit any health care provider without needing a referral, giving you a wide network of options, both in-network and out-of-network. This can be beneficial if you have specific health care requirements or a preference for a specific doctor or specialist. However, it's important to remember that out-of-network care may lead to higher costs and may not be fully covered by the insurance plan.

	Synopsys Health Savings (HS)	Synopsys PPO
Monthly premiums (what you pay for enrolling in coverage)	Lower	Higher
Deductibles and out-of-pocket maximums (what you pay when you need medical care)	Higher	Lower
Eligibility for tax-advantaged accounts	Health Savings Account (HSA) Limited Purpose Flexible Spending Account (LPFSA) ¹	Health Care Flexible Spending Account (FSA)
Why you might choose the plan	If you don't anticipate needing frequent care and are focused on building your health care budget	If you're comfortable paying higher premiums in order to have lower deductibles and coinsurance when you need care, as well as simple copays for some services

¹ Employees who contribute to an HSA can choose to contribute to an LPFSA.

Health Savings Account (HSA)

Synopsys employees enrolled in one of the Health Savings (HS) medical plan options are eligible to invest in a Health Savings Account, or HSA, which you can use to save for current or future health care expenses. An HSA offers the following key features and benefits:

- You own the account. Any money you contribute to your HSA is yours to keep, as well as Synopsys' contributions and interest earned on your HSA balance over time. You also have control over how and when to use your savings at any time - now or in the future.
- Synopsys boosts your HSA. Synopsys contributes to your HSA when you enroll in the Synopsys HS Premium Plan, helping to offset your medical plan deductibles.
- An HSA offers triple tax advantages. Any contributions you make to your HSA are not federally taxed (although, some states may tax), the money in your HSA grows tax-free, and funds used for eligible medical expenses can be withdrawn tax-free at any time.
- You can roll over your HSA and take it with you. Unused HSA funds roll over from year to year, and the HSA is portable. meaning you can take it with you if you retire or leave Synopsys.

For More Information

Visit the Health Savings Account (HSA) page of our U.S. **Benefits Center.**

HSA Contributions

You can make pre-tax contributions to your HSA via payroll deductions, up to a maximum contribution limit that is set by the IRS each year. If you're age 55 or older, you can make additional catchup contributions up to \$1,000. You can increase or decrease the contributions to your HSA at any time during the year.

Synopsys will also contribute to your HSA if you enroll in the Synopsys HS Premium Plan. The company's contribution will be pro-rated.

Maximum contribution limits are set by the IRS and may vary each year. Visit the Health Savings Account (HSA) page of our U.S. Benefits Center for the latest contribution limits.

Eligible Expenses

You can use the money in your HSA to pay for eligible health care expenses, including:

Health plan deductibles and coinsurance

Most medical care and services

Dental and vision care

Prescription drugs and insulin

Medicare premiums (if age 65 or older)

Flexible Spending Accounts (FSAs)

Synopsys offers you two different types of FSAs to save you money for eligible health and dependent care expenses. You can invest into these special accounts directly from your paycheck, saving on taxes and bringing you closer to achieving your financial goals.

Health Care FSA

With a Health Care FSA, you can set aside pretax dollars from your pay to reimburse yourself for eligible health care expenses. There are two types of Health Care FSAs, administered by HealthEquity:

- Traditional Health Care FSA Medical, dental and vision expenses — available if you are enrolled in the Synopsys PPO medical plan, Kaiser Permanente HMO medical plan, waive medical coverage, or waive contributions to the HSA.
- Limited Purpose FSA Dental and vision expenses only —
 available if you are enrolled in a Synopsys Health Savings (HS)
 medical plan and elect to contribute to the HSA.

Maximum FSA contribution limits are set by the IRS and may vary each year. Visit the **Flexible Spending Accounts** page of our **U.S. Benefits Center** for the latest contribution limits.

Eligible Expenses

Eligible expenses are those incurred by you or anyone you claim on your tax return as a dependent. Your dependents do not have to be covered under the Synopsys health care plans to be eligible.

You can review the list of **eligible expenses** on the HealthEquity website.

Use It or Lose It

You must use all the money in your FSA by the end of a two-month grace period following the end of the year. Otherwise, you forfeit any remaining funds. Review the chart below for more information.

IF YOU HAVE A HEALTH CARE FSA IN 2026

Dependent Day Care FSA

With a Dependent Day Care FSA, you can set aside pretax dollars from your pay to reimburse yourself for eligible child or elder day care expenses that allow you and/or your spouse or domestic partner to work.

Maximum FSA contribution limits are set by the IRS and may vary each year. Visit the Flexible Spending Accounts page of our U.S. Benefits Center for the latest contribution limits.

Eligible Expenses

Qualified expenses include licensed day care center or after-school care for children up to age 13, and care for elderly and/or disabled adults who qualify as tax dependents. You can review the list of **eligible expenses** on the HealthEquity website.

Note: The Dependent Day Care FSA cannot be used for dependent health care expenses.

Use It or Lose It

Like other FSAs, you must use all the money in your account by the end of the two-month grace period following the end of the year. Any unused funds remaining in the account after the grace period will be forfeited. Review the chart below for more information.

FINANCIAL & INCOME PROTECTION

We understand that financial security and freedom are important to you. From company matches to discounted investments and comprehensive insurance, Synopsys offers you the tools to build a comfortable future for yourself and your family.

Synopsys 401(k) Plan

The Synopsys 401(k) plan is one of the many important ways Synopsys supports your financial wellbeing. The plan gives you the opportunity to invest for your future on a pretax and/or an aftertax basis. As an added bonus, Synopsys helps you save for your retirement by offering a company match.

Synopsys Boosts Your 401(k)

Free money from Synopsys! The company matches 100% of the first 6% you contribute to the plan on a per-pay-period basis, up to a maximum of \$7,500 per year. You'll want to contribute at least 6% on a pretax and/or Roth 401(k) basis each year to receive the match.

How to Enroll

You can enroll in the 401(k) Plan, administered by Fidelity, as early as the Friday after your hire date. However, Thursday hires will have to wait until the following Friday.

Just log in to Fidelity's NetBenefits® website or call (800) 835-5095.

Automatic Enrollment for New Hires: If you don't take action within 60 days of your hire date, you will be auto-enrolled into the 401(k) plan at a 10% pre-tax deferral rate and invested in an age-appropriate target date fund. You can change your contributions and investment direction at any time through your Fidelity account.

For More Information

Visit the Synopsys 401(k) Plan page of our U.S. Benefits Center.

Three Ways to Save

1.
Pretax:

Your 401(k) contributions are deducted from your paycheck before taxes are withheld. Your contribution reduces your taxable income, so less comes out of your paycheck in taxes today. Your pretax contributions, any Synopsys matching contributions and any investment earnings are not taxed until you withdraw the money from your account.

2. Roth 401(k)

Roth contributions are deducted from your paycheck *after* taxes are withheld. But when you're eligible to withdraw your money, you don't pay taxes on your contributions or any investment earnings (if you attain age 59.5 and meet a five year qualification period).

You can make contributions on a Roth or pretax basis, or a combination of the two, up to the annual IRS limits.

3.

After-tax contributions:

In addition to pretax and Roth contribution options, Synopsys allows you to save even more for retirement. Your contributions are deducted from your paycheck after taxes and other deductions are withheld. These contributions aren't eligible for Synopsys matching. You may want to consider a Roth In-Plan conversion, or you can withdraw them at any time, paying tax only on any investment earnings.

Employee Stock Purchase Plan (ESPP)

The Synopsys Employee Stock Purchase Plan (ESPP) enables you to acquire a stock ownership interest in the company. Through payroll deductions, you can buy shares of Synopsys common stock at a discount of at least 15% off the market price, without incurring brokerage or administrative fees. Shares are purchased every six months at a discount from the purchase date market price and feature a maximum 24-month lookback.

For More Information

Visit the Employee Stock Purchase Plan (ESPP) page of our U.S. Benefits Center.

Voluntary Long-Term Care Insurance

The Synopsys Long-Term Care (LTC) Insurance program offers coverage that you may choose to enroll in and pay for directly. It covers care received at home, in the community, or in a nursing home — that's otherwise not covered by health insurance, disability insurance, or Medicare coverage. Offered through Chubb Long-Term Care Insurance, LTC Insurance offers the following features and benefits:

- Guaranteed coverage. You can't be refused coverage as an employee, and, if you enroll, your spouse/partner can enroll, too, with the appropriate evidence of insurability.
- **Portability.** Your LTC insurance is fully portable, meaning you can take it with you if you leave Synopsys. Your premiums will not change due to separation of employment.

	Basic	Supplemental
Who Pays?	100% Synopsys paid	100% employee paid

Spouse AD&D N/A Child AD&D		Coverage is a percentage of the benefit amount you elect

¹ \$50,000 Basic Life Option: Basic Life Insurance of more than \$50,000 is included in your taxable income, so you are subject to income tax for the amount over \$50,000. You have the option to waive this in favor of a \$50,000 Basic Life Insurance coverage option. Since the IRS does not include Basic Life Insurance of \$50,000 or less in your taxable income, you will not be responsible for any income taxes if you choose this option.

Evidence of Insurability (EOI)

Depending on how much supplemental insurance coverage you purchase, you may need to provide Evidence of Insurability (EOI), or proof of good health. The coverage is provided by Lincoln Financial.

Supplemental Health Insurance

Accidents and serious illness can have a significant financial impact on your family, even with comprehensive medical coverage. As a benefiteligible employee, you have the option to enroll in supplemental health insurance programs offered by UnitedHealthcare (UHC), which provide extra protection for life's unexpected events. These voluntary programs provide a lump-sum cash payment directly to you, helping to cover out-of-pocket medical expenses or other emergency needs, such as rent or groceries.

- Accident Insurance pays a direct cash benefit for covered injuries
- Critical Illness Insurance pays a direct cash benefit if you're diagnosed with a covered condition
- Hospital Indemnity Insurance pays a direct cash benefit after a covered hospital stay and related expenses

For all supplemental programs, you pay a premium each paycheck via payroll deduction. These plans are also portable, meaning you can take them with you if you change jobs or retire.

You have the option to enroll in these programs during your new hire period, annual Open Enrollment, or if you experience a qualified life event.

Filing a Claim

If you're enrolled in both an Anthem Blue Cross medical plan and a supplemental health plan, you can access Benefit Assist, a program designed to help members with claims. Through Benefit Assist, a certified Benefit Assistant will reach out to you directly if any medical claims may qualify for a supplemental health insurance payout, enabling you to receive eligible payments sooner.

If you're enrolled in another medical plan, visit the Supplemental Health Insurance page of our U.S. Benefits Center to review the easy steps to file a manual claim.

For More Information

Visit the Supplemental Health Insurance page of our U.S. Benefits Center.

Extra Wellness Benefit - get screened, earn money!

When enrolled in a UHC supplemental health insurance plan, you can earn up to \$50 per person if you and your spouse/domestic partner complete health screenings like blood tests, colonoscopies, or stress tests. The cash benefit can be used in any way you like.

Accident Insurance

The Accident Plan is designed to support added costs you may face following a covered accident. It covers more than 80 injuries, including burns, concussions, fractures and more. Health care services like diagnostic MRIs, ambulance rides and rehabilitation are also covered.

IMPORTANT: This is a fixed indemnity policy, NOT health insurance. This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care. The payment you get isn't based on the size of your medical bill. There might be a limit on how much this policy will pay each year. This policy isn't a substitute for comprehensive health insurance. Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance? Visit HealthCare.gov or call 1-800-318-2596 (TTY: 1-855-889-4325) to find health coverage options. To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy? For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website (naic.org) under "Insurance Departments." If you have this policy through your job, or a family member's job, contact the employer.

Synopsys self-insured disability benefits ensure your wellbeing and security, even when you're unable to work. Our disability insurance benefits ensure your wellbeing and security. If you are unable to work because of injury or illness, the Synopsys disability plans offer financial protection by replacing a portion of your income. You are enrolled automatically in the plans if you are a full-time employee working 20 or more hours per week. Both you and Synopsys contribute to the cost of disability coverage.

Synopsys for Good

Synopsys is committed to making a positive impact in the communities where employees live and work. Since 1992, we have contributed to our communities through volunteering, financial donations, match funds, in-kind items and grants. Whether it's lending a helping hand to those in need, supporting local initiatives, or championing causes that resonate with them, our employees can contribute their time, skills and money to create positive change.

Employees can access the Synopsys for Good Portal using their workplace credentials to view a calendar of volunteer opportunities, sign up for company volunteering events, request donation matches for volunteering hours and charitable gifts, and nominate organizations for the portal.

Synopsys Outreach Foundation

Through the Synopsys Outreach Foundation, we are honored to serve as the major sponsor of project-based STEM events across the Greater Bay Area for all school levels, including the Synopsys Silicon Valley Science and Technology Championship, Synopsys Sonoma County (CA) STEM Showcase, Synopsys Alameda County (CA) Science & Engineering Fair and Sciencepalooza! ADDITIONAL BENEFITS & PERKS

We take pride in providing our employees with a wide range of additional benefits and discounts that are designed to enrich their lives and contribute to their overall wellbeing.

Commuter Benefits

As a Synopsys employee, you can save money and reduce your commuting stress by taking advantage of our commuter benefits.

Commuter Spending Account Program The Commuter Spending Account (CSA), administered by HealthEquity, lets you set aside pretax money from your paycheck to pay for qualified transportation to and from work. If you ride public transportation to work, participate in a vanpooling program, or pay to park your car at work or a park-and-ride station, this program can help you save money.

To see how much you can contribute pretax each year, visit the Commuter Benefits page of our U.S. Benefits Center.

Scoop

For employees located in the Bay Area, Synopsys offers the Scoop carpooling program, which covers free carpool rides and subsidizes backup commutes through Lyft to and from the Synopsys campuses.

Note: Per IRS regulation, the amount Synopsys pays for your Scoop ride is considered taxable income to you.

Educational Assistance

At Synopsys, we are committed to empowering our employees to pursue their educational aspirations and achieve financial wellbeing. To support you on this journey, we offer a variety of programs, including tuition reimbursement, a student debt program and student loan refinancing options.

Tuition Reimbursement

As a Synopsys employee, you are eligible for reimbursement of up to \$5,250 per year for expenses related to tuition, certification and academic advising programs that help you enhance your skills for your current job and prepare for growth opportunities within the company.

If you are participating in both the Student Loan and Tuition Reimbursement program, the maximum for the two programs is \$5,250 per year, and the student loan is processed first. Please note that the value of your benefit under these programs may be considered imputed income and treated as taxable income.

Student Debt Program

Synopsys offers you a program through Fidelity Investments to help with paying off your federal student loans faster and save on interest. Please note that imputed income applies in certain states.

You'll have access to Fidelity's Student Debt Tool, which can help you explore repayment options and how much you could save through the program.

Student Loan Refinancing

Access SoFi for a customized application experience, dedicated customer service and a welcome bonus when your loan is approved. SoFi consolidates and refinances student loans to offer better rates to those who qualify.
