

Helping you with important medical issues is our specialty.

Dealing with a serious health issue—or getting a diagnosis you don't understand—can be a real challenge for you and your family.

Our healthcare experts can support you every step of the way. You'll get the information you need to make important care decisions with confidence... and peace of mind knowing that your care and treatment are on target. All at no cost to you.

Trusted help when you need it most

Call anytime to reach our experienced registered nurses, medical directors and other experts for help with a wide range of medical issues.

- **Clarify diagnoses** and review treatment options
- **Research the latest approaches** to care
- **Locate the right in-network providers** and make appointments
- **Arrange expert medical second opinions** and transfer medical records
- **Coordinate care and services** during and after a hospital stay
- **Provide end-to-end support** during all phases of your care

Medical issues can be complicated.
**With Health Advocate,
you're not alone.**

Turn to us—we can help.
