

A man and a woman are sitting at a table in a bright, modern setting, possibly a cafe or office. They are both smiling and looking at a document held by the man. A laptop is open on the table in front of them, and there are two coffee cups. The background shows large windows with a view of greenery outside.

Choosing a Medical Plan

Visit the [Medical](#) page of our [U.S. Benefits Center](#) for more resources that can help you determine which medical plan is best for you and your family in 2025.

Which Health Plan is Right for You: Health Savings (HS) or PPO?

Choosing the right health plan is an important decision to ensure that your coverage and costs align with the unique needs of you and your family. With the Synopsys medical plans, you can choose between two Health Savings (HS) plans (also known as High Deductible Health Plans or HDHPs) and a Preferred Provider Organization (PPO) plan administered by UnitedHealthcare (UHC).

The Synopsys HS and PPO plans give you the freedom to visit any health care provider without needing a referral, giving you a wide network of options, both in-network and out-of-network. This can be beneficial if you have specific health care requirements or a preference for a specific doctor or specialist. However, it's important to remember that out-of-network care may lead to higher costs and may not be fully covered by the insurance plan.

	Synopsys Health Savings (HS)	Synopsys PPO
Monthly premiums (what you pay for enrolling in coverage)	Lower	Higher
Deductibles and out-of-pocket maximums (what you pay when you need medical care)	Higher	Lower
Eligibility for tax-advantaged accounts	Health Savings Account (HSA) Limited Purpose Flexible Spending Account (LPFSA)¹	Health Care Flexible Spending Account (FSA)
Why you might choose the plan	If you don't anticipate needing frequent care and are focused on building your health care budget	If you're comfortable paying higher premiums in order to have lower deductibles and coinsurance when you need care, as well as simple copays for some services

¹ Employees who contribute to an HSA can choose to contribute to an LPFSA.

Health Savings Account (HSA)

Synopsys employees enrolled in one of the Health Savings (HS) medical plan options are eligible to invest in a Health Savings Account, or HSA, which you can use to save for current or future health care expenses. An HSA offers the following **key features and benefits**:

- **You own the account.** Any money you contribute to your HSA is yours to keep, as well as Synopsys' contributions and interest earned on your HSA balance over time. You also have control over how and when to use your savings at any time – now or in the future.
- **Synopsys boosts your HSA.** Synopsys contributes to your HSA when you enroll in the Synopsys HS Premium Plan, helping to offset your medical plan deductibles.
- **An HSA offers triple tax advantages.** Any contributions you make to your HSA are not federally taxed (although, some states may tax), the money in your HSA grows tax-free, and funds used for eligible medical expenses can be withdrawn tax-free at any time.
- **You can roll over your HSA and take it with you.** Unused HSA funds roll over from year to year, and the HSA is portable, meaning you can take it with you if you retire or leave Synopsys.

For More Information...

Visit the [Health Savings Account \(HSA\)](#) page of our [U.S. Benefits Center](#).

Synopsys will also contribute to your HSA if you enroll in the Synopsys HS Premium Plan.

Flexible Spending Accounts

Synopsis offers you two different types of Flexible Spending Accounts (FSAs) to save you money for eligible health and dependent care expenses. You can invest into these special accounts directly from your paycheck, saving on taxes and bringing you closer to achieving your financial goals.

Health Care Flexible Spending Account (FSA)

With a Health Care FSA, you can set aside from \$100 to \$3,300 before taxes each year to reimburse yourself for eligible health care expenses. There are two types of Health Care FSAs, administered by HealthEquity:

- **Traditional Health Care FSA** – Medical, dental, and vision expenses – available if you are enrolled in the Synopsis PPO medical plan, Kaiser Permanente HMO medical plan, waive medical coverage, or waive contributions to the HSA.
- **Limited Purpose FSA** – Dental and vision expenses only – available if you are enrolled in a Synopsis Health Savings (HS) medical plan and elect to contribute to the HSA.

Eligible Expenses

Eligible expenses are those incurred by you or anyone you claim on your tax return as a dependent. Your dependents do not have to be covered under the Synopsis health care plans to be eligible.

You can review the list of [eligible expenses](#) on the HealthEquity website.

Use It or Lose It

You must use all the money in your FSA by the end of a two-month grace period following the end of the year. Otherwise, you forfeit any remaining funds. Review the chart below for more information.

IF YOU HAVE A HEALTH CARE FSA IN 2025

Grace period Funds remaining in your account at the end of the year will be usable until...	February 28, 2026
You may submit claims until...	March 31, 2026

Dependent Day Care Flexible Spending Account (FSA)

With a Dependent Day Care FSA, you can set aside from \$100 to \$5,000 before taxes each year to reimburse yourself for eligible child or elder day care expenses that allow you and/or your spouse or domestic partner to work.

You can contribute up to \$5,000 per year to the Dependent Care FSA if you are married and filing a joint tax return, or \$2,500 per year if you are married and filing separately.

Eligible Expenses

Qualified expenses include licensed day care center or after-school care for children up to age 13, and care for elderly and/or disabled adults who qualify as tax dependents. You can review the list of [eligible expenses](#) on the HealthEquity website.

Note: The Dependent Day Care FSA cannot be used for dependent health care expenses.

Use It or Lose It

Like other FSAs, you must use all the money in your account by the end of the two-month grace period following the end of the year. Any unused funds remaining in the account after the grace period will be forfeited. Review the chart below for more information.

FINANCIAL & INCOME PROTECTION

We understand that financial security and freedom are important to you. From company matches to discounted investments and comprehensive insurance, Synopsis offers you the tools to build a comfortable future for yourself and your family.

Synopsys 401(k) Plan

The Synopsys 401(k) plan is one of the many important ways Synopsys supports your financial wellbeing. The plan gives you the opportunity to invest for your future on a pretax and/or an after-tax basis. As an added bonus, Synopsys helps you save for your retirement by offering a Company match.

Synopsys Boosts Your 401(k)

For every pretax dollar you contribute to your 401(k) savings account, Synopsys will contribute \$0.40, up to a maximum of \$3,000 per year! For the full \$3,000 match, you must contribute \$7,500 on a pretax or Roth 401(k) basis.

How to Enroll

You can enroll in the 401(k) Plan, administered by Fidelity, as early as the Friday after your hire date. However, Thursday hires will have to wait until the following Friday.

Just log in to Fidelity's NetBenefits® website or call (800) 835-5095.

Automatic Enrollment for New Hires: If you don't take action within 60 days of your hire date, you will be auto-enrolled into the 401(k) plan at a 10% pre-tax deferral rate and invested in an age-appropriate target date fund. You can change your contributions and investment direction at any time through your Fidelity account.

For More Information...

Visit the [Synopsys 401\(k\) Plan](#) page of our [U.S. Benefits Center](#).

Three Ways to Save

1.

Pretax:

Your 401(k) contributions are deducted from your paycheck before taxes are withheld. Your contribution reduces your taxable income, so less comes out of your paycheck in taxes today. Your pretax contributions, any Synopsys matching contributions, and any investment earnings are not taxed until you withdraw the money from your account.

2.

Roth 401(k) after-tax:

Roth contributions are deducted from your paycheck *after* taxes are withheld. But when you're eligible to withdraw your money, you don't pay taxes on your contributions or any investment earnings (if you attain age 59.5 and meet a five year qualification period).

You can make contributions on a Roth or pretax basis, or a combination of the two, up to the annual IRS limits.

3.

After-tax contributions:

In addition to pretax and Roth contribution options, Synopsys allows you to save even more for retirement. Your contributions are deducted from your paycheck after taxes and other deductions are withheld. These contributions aren't eligible for Synopsys matching. You may want to consider a Roth In-Plan conversion, or you can withdraw them at any time, paying tax only on any investment earnings.

Employee Stock Purchase Plan

The Synopsys Employee Stock Purchase Plan (ESPP) enables you to acquire a stock ownership interest in the company. Through payroll deductions, you can buy shares of Synopsys common stock at a discount of at least 15% off the market price, without incurring brokerage or administrative fees. Shares are purchased every six months at a discount from the purchase date market price and feature a maximum 24-month lookback.

For More Information...

Visit the [Employee Stock Purchase Plan \(ESPP\)](#) page of our [U.S. Benefits Center](#).

Voluntary Long-Term Care Insurance

The Synopsys Long-Term Care (LTC) Insurance program offers coverage that you may choose to enroll in and pay for directly. It covers care received at home, in the community, or in a nursing home – that's otherwise not covered by health insurance, disability insurance, or Medicare coverage. Offered through Chubb Long-Term Care Insurance, LTC Insurance offers the following features and benefits:

- **Guaranteed coverage.** You can't be refused coverage as an employee, and, if you enroll, your spouse/partner can enroll, too, with the appropriate evidence of insurability.
- **Portability.** Your LTC insurance is fully portable, meaning you can take it with you if you leave Synopsys. Your premiums will not change due to separation of employment.

Life and Accidental Death & Dismemberment (AD&D) Insurance

Our comprehensive Life and Accidental Death & Dismemberment (AD&D) Insurance programs are designed to provide you and your loved ones with financial protection and peace of mind. Explore the benefits of these programs and ensure a secure future for your family.

In addition to employer-paid Basic Life and AD&D coverage, you have the option to purchase additional supplemental insurance coverage for yourself and your dependents.

For More Information...

Visit the [Life Insurance and AD&D Insurance](#) page of our [U.S. Benefits Center](#).

	Basic	Supplemental
Who Pays?	100% Synopsys paid	100% employee paid
Employee Life	2x your annual earnings, up to \$1,000,000 ¹	Amounts in \$10,000 increments, up to \$1,500,000 (and not to exceed 8x your annual earnings)
Employee AD&D	\$50,000	Amounts in \$100,000 increments, up to \$950,000 (not to exceed 10x your annual earnings)
Spouse Life	N/A	Amounts in \$5,000 increments, up to \$250,000 (or 100% of your total employee life insurance amount, whichever is less)
Child Life	N/A	Amounts of \$1,000, \$5,000, \$10,000, \$15,000, or \$20,000
Spouse AD&D Child AD&D	N/A	Coverage is a percentage of the benefit amount you elect

¹ **\$50,000 Basic Life Option:** Basic Life Insurance of more than \$50,000 is included in your taxable income, so you are subject to income tax for the amount over \$50,000. You have the option to waive this in favor of a \$50,000 Basic Life Insurance coverage option. Since the IRS does not include Basic Life Insurance of \$50,000 or less in your taxable income, you will not be responsible for any income taxes if you choose this option.

Evidence of Insurability (EOI)

Depending on how much supplemental insurance coverage you purchase, you may need to provide Evidence of Insurability (EOI), or proof of good health. The coverage is provided by Lincoln Financial.

Supplemental Health Insurance

Accidents and serious illness can have a significant financial impact on your family, even with comprehensive medical coverage. As a benefit-eligible employee, you have the option to enroll in supplemental health insurance offered by UnitedHealthcare (UHC), which provide extra protection for life's unexpected events. These voluntary programs provide a lump-sum cash payment directly to you, helping to cover out-of-pocket medical expenses or other emergency needs, such as rent or groceries.

- **Accident Insurance** pays a direct cash benefit for covered injuries
- **Critical Illness Insurance** pays a direct cash benefit if you're diagnosed with a covered condition
- **Hospital Indemnity Insurance** pays a direct cash benefit after a covered hospital stay and related expenses

For all supplemental programs, you pay a biweekly premium via payroll deduction. These plans are also portable, meaning you can take them with you if you change jobs or retire.

You have the option to enroll in these programs during your new hire period, annual Open Enrollment, or if you experience a **qualified life event**.

Filing a Claim with Benefit Assist

If you're enrolled in both a UHC medical plan and a supplemental health plan, you can access Benefit Assist, a program designed to help members with claims. Through Benefit Assist, a certified Benefit Assistant will reach out to you directly if any medical claims may qualify for a supplemental health insurance payout, enabling you to receive eligible payments sooner.

If you're enrolled in another medical plan, visit the **Supplemental Health Insurance** page to review the easy steps to file a manual claim.

For More Information...

Visit the **Supplemental Health Insurance** page for more information.

Extra Wellness Benefit – get screened, earn money!

When enrolled in a UHC supplemental health insurance plan, you can earn up to \$50 per person if you and your spouse/domestic partner complete health screenings like blood tests, colonoscopies, or stress tests. The cash benefit can be used in any way you like.

IMPORTANT: This is a fixed indemnity policy, NOT health insurance. This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care. The payment you get isn't based on the size of your medical bill. There might be a limit on how much this policy will pay each year. This policy isn't a substitute for comprehensive health insurance. Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance? Visit [HealthCare.gov](https://www.healthcare.gov) or call 1-800-318-2596 (TTY: 1-855-889-4325) to find health coverage options. To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy? For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments." If you have this policy through your job, or a family member's job, contact the employer.

ADDITIONAL BENEFITS & DISCOUNTS

We take pride in providing our employees with a wide range of additional benefits and discounts that are designed to enrich their lives and contribute to their overall wellbeing.

Commuter Benefits

As a Synopsis employee, you can save money and reduce your commuting stress by taking advantage of our commuter benefits.

Commuter Spending Account (CSA) Program

The Commuter Spending Account (CSA), administered by HealthEquity, lets you set aside pretax money from your paycheck to pay for qualified transportation to and from work. If you ride public transportation to work, participate in a vanpooling program, or pay to park your car at work or a park-and-ride station, this program can help you save money.

You can deduct up to \$315 from your paycheck per month for transit and up to \$315 per month for parking for 2025. That kind of tax savings adds up!

Scoop

For employees located in the Bay Area, Synopsis offers the Scoop carpooling program, which covers free carpool rides and subsidizes backup commutes through Lyft to and from the Synopsis campuses.

Note: Per IRS regulation, the amount Synopsis pays for your Scoop ride is considered taxable income to you.

For More Information...

Visit the [Commuter Benefits](#) page of our [U.S. Benefits Center](#).

Educational Assistance

At Synopsys, we are committed to empowering our employees to pursue their educational aspirations and achieve financial wellbeing. To support you on this journey, we offer a variety of programs, including tuition reimbursement, a student debt program, and student loan refinancing options.

Tuition Reimbursement

As a Synopsys employee, you are eligible for reimbursement of up to \$5,250 per year for expenses related to tuition, certification, and academic advising programs that help you enhance your skills for your current job and prepare for growth opportunities within the Company.

If you are participating in both the Student Loan and Tuition Reimbursement program, the maximum for the two programs is \$5,250 per year, and the student loan is processed first.

Student Debt Program

Synopsys offers you a program through Fidelity Investments to help with paying off your federal student loans faster and save on interest.

You'll have access to Fidelity's Student Debt Tool, which can help you explore repayment options and how much you could save through the program.

Student Loan Refinancing

Access SoFi for a customized application experience, dedicated customer service, and a welcome bonus when your loan is approved. SoFi consolidates and refinances student loans to offer better rates to those who qualify.
