How Navvisa Works

If you or a family member* are facing a cancer diagnosis — as a patient or caregiver — register at www.navvisa.com/register to be matched to your personal oncology nurse.

WHAT YOU CAN EXPECT FROM NAVVISA

Oncology Expertise Tailored to Your Needs

We'll answer questions, explain treatment plans, and prepare for doctor appointments. Together we'll identify and communicate your priorities to your clinicians.

We'll Walk By Your Side

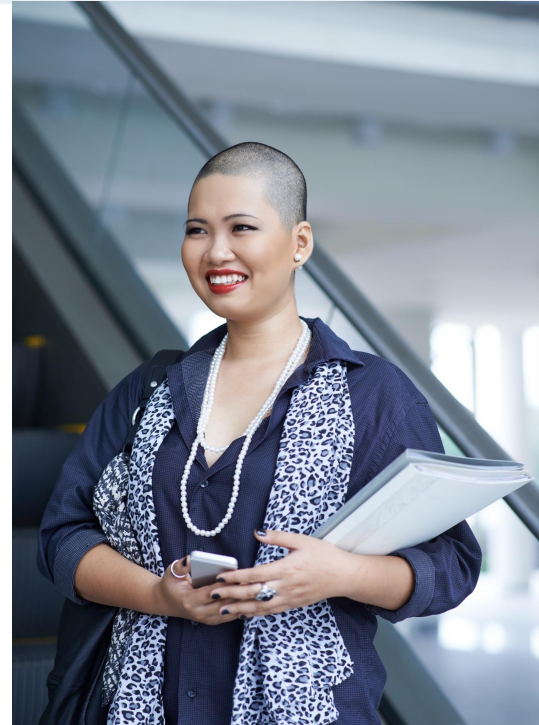

Our oncology nurses will remotely attend your doctors appointments, and we're there for you whenever challenges arise via phone, messaging, or video

We'll Help Explore Your Options

The impacts of cancer are wide ranging with many unexpected hurdles. We will connect you to resources for clinical, logistical, and emotional needs,

Some of the Ways We Help Our Care Clients:

- Nurse assessments to identify/address challenges
- Education on disease and treatment plan
- Symptom and side-effect management
- Genetic counseling, nutrition, wellbeing, and survivorship guidance
- Connection to company benefits and outside resources

“Without Navvisa, I would not have had the confidence that I was on the right track with my treatment”

– Colon Cancer Patient
